FRIENDS

A friend is someone with whom you never have to measure words.

A friend will understand your moods, no matter how absurd.

A friend knows how to make you laugh and does so when it matters.

A friend is there to glue the pieces when your hopes have shattered.

To a friend you can confide and know your secret's safe for certain.

When your problems weigh you down a friend will take on half the burden.

When your world's turned black, your friend will paint it many shades.

Their very presence in troubled times drives dark times away.

True friends never hesitate to give more than they take.

Friends will be there when you need them, no matter what the stake.

So if you have good times with someone and the laughter ends.

If you turn and find that person gone They never were your friend.

And I,
Never thought I'd feel this way
And as far as I'm concerned
I'm glad I got the chance to say
That I do believe I love you

And if,
I should ever go away
Well then close your eyes and try
To feel the way we do today
And then if you can, remember

That's What

FRIENDS

Are For

Keep Smilin', Keep Shinin'
Knowin' You Can Always Count On Me
For Sure
That's What Friends Are For

For Good Times And Bad Times
I'll Be On Your Side For Ever More
That's What Friends Are For.

Remember Your

FRIENDS

Well You Came And Opened Me
And Now There's So Much More I See
And So By The Way I Thank You

And Then,
For The Times When We're Apart
Well, Then Close Your Eyes And Know

Group on right clockwise: Christine Candido, Heidi Goldrick, Cathy Marmello, Julianne Dos Santos. Bottom center: Beth Gifford, Reagon Frates, Captain Shauna Henry, Sandy Martins, Amy Fernandes.

Coach Wendy Machado said that the Cheerleaders had a great season which can only get better. When asked about some of the year's highlights Coach Machado recalled homecoming game 92, Placing 3rd at the New England A.A.U. competition hosted by the New England Patriot Cheerleaders, Summer Cheering Camp, Hosting the Voc-Tech Cheering Clinic and the football game on Halloween where the girls cheered in various costumes. Coach Machado is proud of the fact that the girls do so well in cheering and academics. Members of the squad are class officers, SADD officers, members of the Honor Society, Honor Bowl, Math Team, and Homecoming Queen and runners-up, and VICA winners.

"Both the Varsity and Junior Varsity Squads have a lot to look forward to.", says Coach Machado, "Both squads are working hard and preparing for competition in February and March where they hope to be successful trophy winners. The future looks great for both squads. The Varsity will lose only 5 of it's 18 members and the J.V. consists of all freshman, so we can bet they'll be back and ready to begin work for next season."

Player Captains were Tracey Marques and Shauna Henry for Football Season, and Amy Fernandes and Tracey Marques for Basketball. J.V. Coach is Vicky Oliveira.

BASEBALL

Kneeling: Saint Cordero, Scott Piche, Dana Debrosse, Jason Williams, Mike Ouimette, Jaime Marujo, Mike Auger, Kurt Charbonneau.
Standing: Head Coach J. Quintal, Josh Souza, Bryce Garnett, Gordon Barber, Peter Berard, Bill Major, Brian Fletcher, Dennis Correia, Steve Torres, Asst. Coach C. Souza.

Head Coach John Quintal felt that the Varsity Baseball Team had an overall good season. They started the season off with a 4-1 record and then slumped to a 1-6 mid-season record. At the end of the season the team finished off with a 4-3 record, with big wins over Case and Dighton-Rehoboth. The team, playing close games, performed well throughout most of the year.

Varsity pitcher Gordon Barber earned a 5-5 record and batted .320. The shortstop, Brian Fletcher, was an outstanding defensive player. Peter Bernard and Steve Torres were consistent contributors both offensively and defensively. Bryce Garnett was a work horse on the mound, pitching many innings.

Two particular moments which stand out in Coach Quintal's mind was Barber's 1 hitter in both games against Bourne and Dighton-Rehoboth and an 11th inning, 9-8 victory over Case.

Next year's team looks good with returning players Jason Williams (catcher), Mike Ouimette (pitcher), Jaime Maroujo (1st base), and Scott Piche, and some talented prospects from the J.V. Squad. The coaching staff includes Joe Almeida, Bob Dumas and volunteers Chuck Sousa and Jeff Krommes.

Head coach Mark Thornhill felt that it would be a rebuilding year. He was really surprised at how fast our underclassmen progressed. Coach Thornhill, along with assistant coaches Len Sylvia, Jeff Fortin, and Jim Fortin lead the track team to an 8 and 0 season. Some of the outstanding players were Rick Despres; a multie athlete who would score or win in four events in a meet. Robert LeBlanc; outstanding hurdle and triple jumper. Isaac Rodriquez; outstanding in the 120 and 330 Hurdles.

Beating Apponquet for the first time ever in spring track stands out in Coach Thornhill's mind the most. In the future he feels that with a lot of freshman making it through the season and strongly contributing in dual meets it still looks strong once again in the upcoming years.

Head coach Mark Thornhill felt this years girls seemed to be pointed in the right direction. With a team of 20 girls, mostly underclassmen, they progressed very well. More girls were making it through the season and enjoying what they were doing. Coach Thornhill is positive, feeling he can now see the light at the end of the tunnel. Assisting coach is Pat Thompson.

Outstanding players were Kathy Branquinho, who scored fifth in the Class-A Javelin and Sue Ellis, a versitile performer who participat-ed in the long and triple jumps and ran the 100 and 200. Player captain was Rachel Joseph.

Coach Thornhill remembers one particular great moment. The meet was on the line and the team needed a win in the final relay for the big win. Dina Williams took the hand off ten yards behind the Bourne runner and beat her by four yards for the win! It was the team's first win in over four years! They finished out the season with one win and seven losses.

The Voc-Tech Bears' Football team completed the season with a record of 1 win, 9 losses. Although the record portrays a disappointing season, it does not reflect the character of the young men who dedicated themselves to the team.

"The seniors who completed the year are to be commended for their efforts and attitude. It is easy to stay around when you are winning, but it demands more of a person when things aren't going their way. They didn't quit and they didn't make excuses. They finished what they started and therefore they are winners." stated Coach Paul Guilbeault.

The senior members of the team include Ben Andrews, Mike DeMello, Bob Gallagher, Mark Gaumond, Jeff Johnson, Tim Lowrie, Jaime Marujo, Todd Morris, Tony Nunes, Mike Ouimette, Arthur Shepard, William Sturtevant, John Sylvia, Jason Williams and Brian Young.

Head Coach Ron Krough was disappointed that the Girls' Volleyball Team was not more competitive in the league this year. He felt that they lacked confidence and did not always play to their potential. The team; however, did show great improvement the last three games of the season.

Jodie Vieira was an excellent server and Jessica Travers was both a great server and a good setter. The best all around player toward the end of the season was Christy Loranger. Other valuable players on the team were Sue Ellis and Sally Pacheco.

The entire team played well in a loss to Seekonk at home, and came from behind two games in a row to beat Wareham in their gym. Their future looks bright with a lot of promising young players on the J.V. and Freshman teams under Coaches Pat Thompson and Rick Quintin respectively and four returning starters on the varsity team.

The golf team, despite their record of 1-13, played well during the season. All players lowered their scoring average with Jared Gobeil leading the team in this category. Coach Richie Silvia commented on his players;

Freshman Jon Almeida led the team in low scoring average and played #1 position on the team. The #2 position belonged to senior Jamie Poyant. Jamie was a four year player and co-captain who came back strong from a broken ankle. Junior and co-captain Gobeil held the #3 spot and enjoyed his best season yet. Playing #4 position was senior and co-captain Peter Levasseur. Peter was the Team Joker and also saw his best season on the team. Randin Fernandes improved all season with a strong showing at the Bay Point Country Club. Randin played #5 position for Voc-Tech. First-year player and senior Jay Rapozo was pleasant surprise and a dedicated player. Junior Dennis Medeiros and sophomores Matt Whitlow, Billy Marsh and Carl Lamy competed for #6, #7 and #8 spots on the squad. Finally, freshman Megan Moniz, 1st year player and the only female on the team competed very well and improved greatly throughout the season.
